Year 5 School Tests 2016	Year 6 School Tests 2016
Reading 90% meeting or exceeding expectations Writing 14% meeting or exceeding expectations Numeracy 90% meeting or exceeding expectations	Reading 99% meeting or exceeding expectations Writing 87% meeting or exceeding expectations Numeracy 88% meeting or exceeding expectations

Please note the writing standards for Year 5 are the same as they are for Year 6. They are not expected to meet or exceed these standards until they get to the end of Year 6. The writing standards for Year 3 are a significant step up from those in Year 2 and it does take longer for early KS2 children to achieve them. The 'school tests' that children sit are externally written exam papers produced by Hodder and Stoughton.
