Keeping Children Safe

**A Langley Hall Primary
Academy Initiative for Staff
and Parents**

Launched October 2016

We are a  School

What does this mean in practice? It means that the welfare of the child is paramount and our policies, procedures and practices ensure that every child is kept safe and happy whilst in our care.

At Langley Hall Primary Academy, we teach staff before they even enter the classroom what safeguarding means in practice. We expect every member of staff to be vigilant and aware of the need to keep children safe as their top priority.

The impact of this initiative at Langley Hall is that children will feel safe, they will thrive and be happy and therefore they will learn.
